Singapore Exhibition & Convention Bureau™ (SECB)

The Singapore Exhibition and Convention Bureau™ (SECB) is a group under the Singapore Tourism Board (STB). SECB has a mission to champion business travel and business events as key drivers of the tourism sector and enablers for industry growth in Singapore. It aims to establish Singapore as a dynamic business events destination where people, technology and ideas converge to create great value for customers.

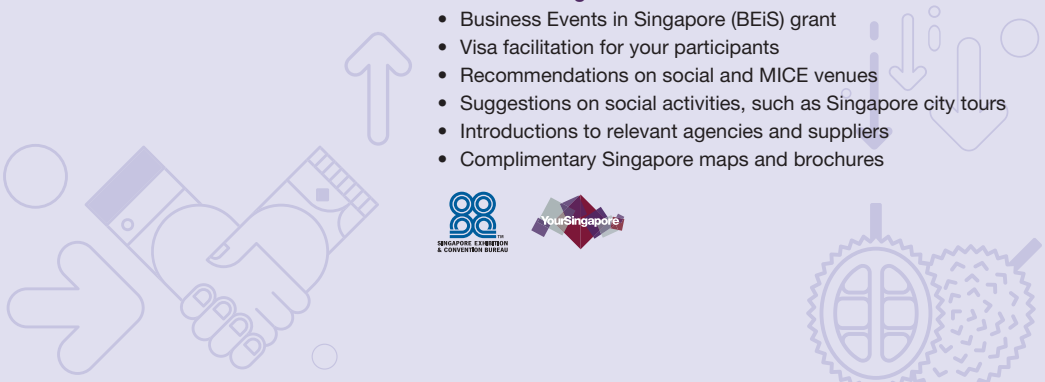

SECB also supports the business events industry in pursuing, anchoring and growing quality events through the Business Event in Singapore (BEiS) grant. As the leading government agency for the business events sector in Singapore, the Bureau works with stakeholders to create, attract, and grow business events, as well as ensuring exceptional experiences in the delivery of these events. The Bureau also develops partnerships with international organisations and alliances.

SECB is a member of the BestCities Global Alliance – the world's first convention bureau alliance with 12 partners in six continents.

Changi Airport Group (CAG)

As the company managing Changi Airport, CAG undertakes key functions focusing on airport operations and management, air hub development, commercial activities and airport emergency services. CAG also manages Seletar Airport and through its subsidiary Changi Airports International, invests in and manages foreign airports.

Changi Airport is the world's most awarded airport with more than 530 accolades received since its opening in 1981. More than 360 retail stores and 140 F&B outlets are situated across three terminals to cater to passengers and visitors. As the world's sixth busiest airport for international traffic[#], it served a record 58.7 million passengers from around the globe in 2016. With over 100 airlines providing connectivity to 380 cities worldwide, Changi Airport handles about 7,000 flights every week, or about one every 90 seconds.

Singapore Airlines Group

SIA is one of the most respected global travel brands around the world, renowned for its quality service. It prides itself in putting the customer at the heart of all it does, bringing them the comfort of being cared for.

From its humble roots in 1972, SIA has grown to operate one of the youngest aircraft fleets in the world, spanning a network of six continents.

It has been in the forefront of many industry firsts, including being the first to fly the A380, the world's largest passenger aircraft. Its position as an industry leader is grounded in its commitment to innovation.

Singapore Airlines, together with its subsidiary airlines Silkair, Scoot and Tigerair, covers more than 120 destinations in more than 30 countries.
